Superior, WI 54880

To Whom it May Concern,

My office reached out to you about use of a parcel Douglas County recently acquired via tax deed (02-802-07010-00). A bid was not received on the property, nor did my office hear from you.

The Land & Development Committee will meet on October 28, 2025, at 3 PM in Boardroom 201 of the Government Center (1316 N 14th Street, Superior) to discuss the personal use of the property and next steps. It is my recommendation to re-advertise this property once more.

It is the intent of Douglas County to get this property back on the tax roll. Again, Douglas County would like to work with you to acquire ownership of this property, so further action does not need to be taken.

If a bid is not received on the property, further enforcement action is recommended, but it is the committee's decision how they wish to proceed.

You are welcome to attend the meeting or submit comments.

Sincerely,

Kaci Jo Lundgren
Douglas County Clerk
