ANIMAL ARTS

Mason 2 tier. I like their glass....

But not their bars.

ANIMAL ARTS

Fun stuff for cat colony rooms. Shows tile.

ANIMAL ARTS

These are bar front shoreline. Shows our favorite hose reel.

Cubbies above built in cages- could do cubbies in west wall in adoptions.

Sorry for the HUGE arm in the photo. This is Snyder built in with a storage cubby below.

ANIMAL ARTS

Not a fan of the LOOK of shoreline condos.
