Employer agrees to employ (or cause to be employed) the Apprentice for the purpose of enabling said Apprentice to learn the stated trade or craft under applicable standards and according to the attached schedule.

This letter is to notify NORTHLAND CONSTRUCTORS DULUTH that Timothy Hynes, Jr XXX-XX-(7865) has his/her apprenticeship contract assigned to your firm for training as an Operating Engineer Apprentice effective 5/24/2023.

Timothy Hynes, Jr's apprenticeship began on 5/24/2023 and his/her status is that of a 3rd pay period apprentice. He/she should be paid 80% of the Area 2 Building M/U rate of \$38.97 = \$31.18, plus fringes at the same scale as that paid to journeyworkers, except that the amount of the Central Pension shall be at the apprentice rate of \$6.72 per hour. **If the apprentice works under a different contract he/she should be paid at the appropriate rate.**

As you are aware the Federal and State apprenticeship standards have policies set in place regarding the number of hours an apprentice must attend for their required related instruction. Failure to attend the required amount of related instruction each year may result in the cancellation of his/her apprenticeship, therefore causing you to lose your ability to employ him/her as an operating engineer.

Apprentices will receive notice regarding their required Related Instruction each year. Please remember the State Bureau of Apprenticeship does not excuse anyone from their required courses because they may still be working.

Thank you for your participation in the program.

Sincerely,

Daniel Sperberg
