Please call Kathy Burger, Village Clerk, at (715) 378-2235 to receive an "Objection to Real Property Assessment" form. This form must be completed and returned at least 48 hours prior to the beginning of the Board of Review to receiving an appointment before the Board of Review on that date. No objections will be heard without an appointment.

If you wish to contest this assessment;

Wisconsin law requires assessors to assess at full market value, adjusted to the local level of assessment if not a revaluation year. In order to determine if your assessment is fair, you must analyze it in relation to the local market. You may accomplish this by comparing your assessment to sales of similar properties, available at the Open Book Conferences.

If you feel your Assessment is unfair, discuss it with the Assessor. The Assessor can explain the assessment process, answer questions and make adjustments to the Assessment if warranted. Under Wisconsin law, generally, the assessor may not change the assessment of property based solely on the recent arm's length sale of the property without adjusting the assessed value of comparable properties in the same market area. For information on the assessment of properties that have recently sold, visit the Internet site of the Department of Revenue at <https://propertyinfo.revenue.wi.gov/>. If you still wish to object to the assessment, immediately contact the local clerk, file an objection form and arrange a Board of Review hearing. The appeal process is explained in the "Property Assessment Appeal Guide for Wisconsin Real Property Owners". If you would like a copy, please contact the Department of Revenue, Office of Assessment Practices, PO Box 8933, Madison, WI 53708-8933.

Boards of Review operate like a court. Their function is not one of valuation, but of deciding the validity of the facts presented orally before them. You or your representative may testify concerning your assessment objection. You must prove that your property is inequitably assessed when compared to market value.
