General Information

The assessor has completed an annual review of all properties in the municipality that have changed for the current assessment year. Examples of the types of property changes that the assessor reviews are: new construction, remodeling, land divisions, and agricultural use values, among others. If you have any questions concerning your valuation, there will be an Open Book session held by Associated Appraisal Consultants where you can meet with the assessor individually to discuss your concerns. **Please call Associated Appraisal at 920-749-1995 for an Open Book appointment.** Please have this assessment notice with you during your Open Book appointment.

To Appeal Your Assessment

First, discuss with your local assessor - questions can often be answered by the assessor during the Open Book process and not require an appeal to Board of Review (BOR).

To file a formal appeal - give notice of your intent to appeal by contacting the BOR clerk at least 48 hours before the BOR begins. Complete and file your appeal form with the BOR clerk no later than the first two hours of the BOR's first meeting. Make sure you file a completed form or the BOR may not review your appeal.

For more information on the appeal process:

- Contact your municipal clerk listed on the right.
- Review the "Guide for Property Owners" (<https://www.revenue.wi.gov/Pages/HTML/govpub.aspx>). Contact the Wisconsin Department of Revenue for a paper copy at bapdor@wisconsin.gov or (608) 266-7750.

Notice of Assessment

This notice of assessment has important information for you as a property owner.

No action is required

unless you disagree with your new assessed value.

IMPORTANT DATES

Effective Assessment Date
 State law (Sec. 70.10, Wis. Stats.) requires assessed values to be estimated as of January 1st each year.

Open Book
 Refers to a period of time when the completed assessment roll is open for examination. This period of time is an opportunity to discuss your assessed value with the assessor. You may request a change to your assessed value during the Open Book. The assessor may consider such a request based on a review of reasoning and evidence.

Board of Review (BOR)
 The BOR is a quasi-judicial body that operates like court. The BOR's function is to hear evidence and testimony for any formal objections to assessments and decide whether to uphold or change the assessment. Under state law, the BOR must presume the assessor's valuation is correct unless the objector provides sufficient evidence to overcome that presumption. If you do not take action at the BOR, this may result in the loss of any further appeal options for your assessment.
